

How to create a new board in Trello

trello 4 steps · 30s

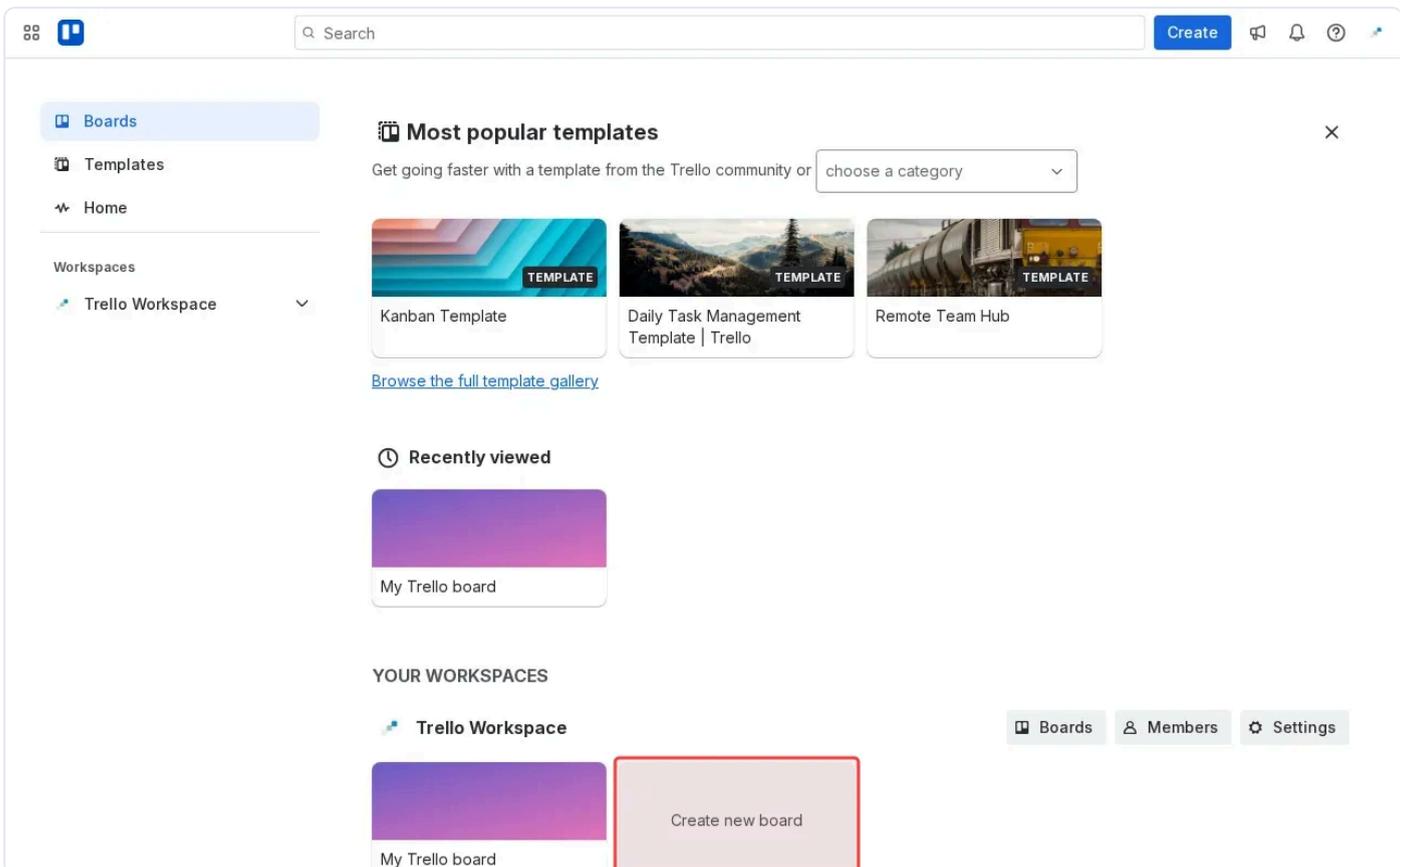

- 1 Click 'Log in' to access Trello account.

2 Scroll to reveal login form elements.

3 Click 'Create new board' to start board creation.

4 Type board title in the required field.

The screenshot shows the Trello 'Create board' dialog box. The 'Board title' field is highlighted with a red border and is empty. A red error message 'Board title is required' is displayed below the field. The background shows the Trello interface with a sidebar and a 'Most popular templates' section.
