

# How to create a new page in Notion

Notion 3 steps · 31s

## 1 Click '+' next to Private section to create new page.

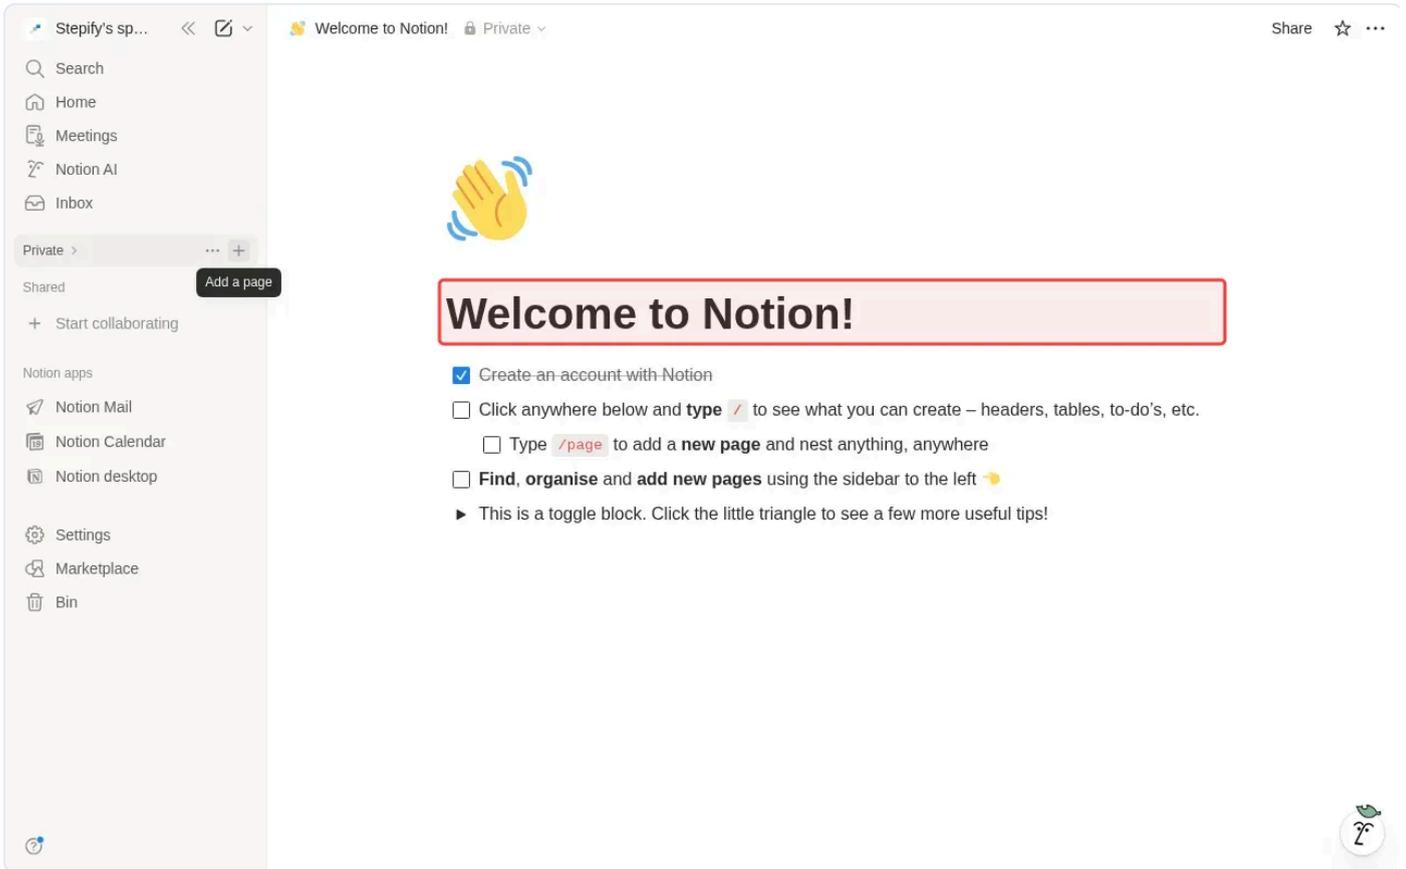

The screenshot shows the Notion interface. On the left is a sidebar with a search bar and a list of sections: Home, Meetings, Notion AI, Inbox, Private, Shared, and Notion apps. The 'Private' section is highlighted with a red square. The main content area displays a 'Welcome to Notion!' message with a yellow hand icon. Below the message are several instructions:

- Create an account with Notion
- Click anywhere below and **type** `/` to see what you can create – headers, tables, to-do's, etc.
  - Type `/page` to add a **new page** and nest anything, anywhere
- Find, organise and add new pages** using the sidebar to the left 
  - ▶ This is a toggle block. Click the little triangle to see a few more useful tips!

In the bottom right corner, there is a small circular icon with a green leaf and a white '2'.

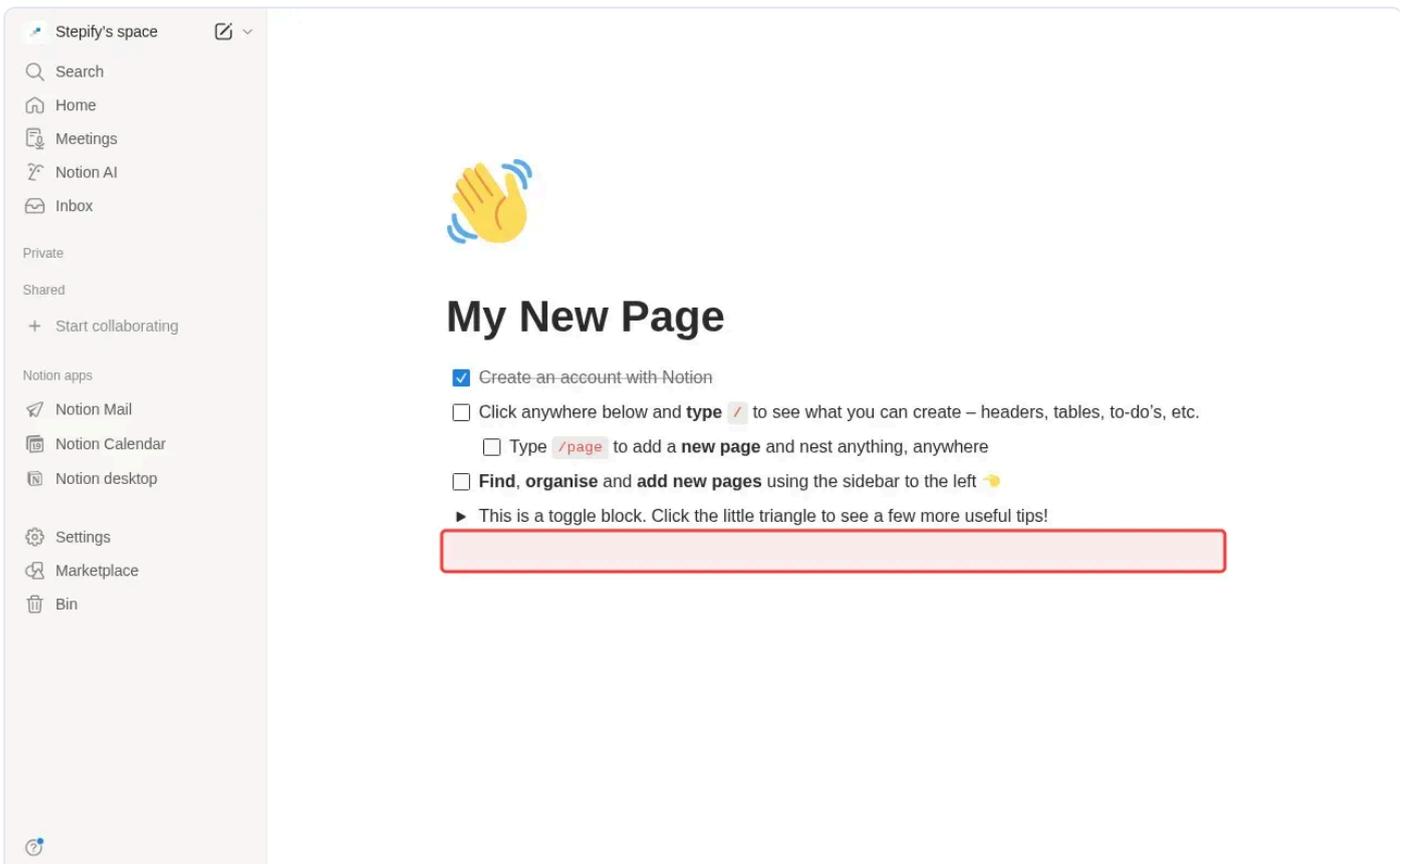

## 2 Type page title in the title field.

The screenshot shows a Notion workspace titled "Stepify's sp...". The left sidebar contains navigation options: Search, Home, Meetings, Notion AI, Inbox, Private (with a sub-menu), Shared (with a sub-menu), and Notion apps (Notion Mail, Notion Calendar, Notion desktop). A "Add a page" button is visible in the sidebar. The main content area features a yellow hand icon with blue motion lines. Below it, the title "Welcome to Notion!" is highlighted with a red rectangular box. Underneath the title is a list of instructions:

- Create an account with Notion
- Click anywhere below and **type** `/` to see what you can create – headers, tables, to-do's, etc.
  - Type `/page` to add a **new page** and nest anything, anywhere
- Find, organise** and **add new pages** using the sidebar to the left 🌟
  - ▶ This is a toggle block. Click the little triangle to see a few more useful tips!

## 3 Type heading text in the content area below title.

The screenshot shows a Notion workspace titled "Stepify's space". The left sidebar is identical to the previous screenshot. The main content area features the same yellow hand icon. Below it, the title "My New Page" is displayed. Underneath the title is the same list of instructions as in the previous screenshot:

- Create an account with Notion
- Click anywhere below and **type** `/` to see what you can create – headers, tables, to-do's, etc.
  - Type `/page` to add a **new page** and nest anything, anywhere
- Find, organise** and **add new pages** using the sidebar to the left 🌟
  - ▶ This is a toggle block. Click the little triangle to see a few more useful tips!

Below the instructions, a red rectangular box highlights the content area, indicating where to type heading text.
